

# **2<sup>nd</sup> Quarter Newsletter**

## **Better(not bigger)Vermont**

## ***What We've Been Up To***

Prof. Kate Raworth, in her 16 min TED Talk, eloquently explains why economic growth must end if humanity is going to thrive...

<https://www.youtube.com/watch?v=Rhcrbcg8HBw>

... and that our financial-, political-, and cultural-addiction to economic growth make it hard to give up, even though it's hurting (some say killing) us.

## ***From Our Executive Director***

With an Open Heart

Bob Fireovid

## ***How You Can Help***

Better(not bigger)Vermont works to  
improve the lives and natural  
surroundings of present and future

Vermonters. Please support our efforts  
by making a donation and/or forwarding  
this newsletter to others.

*Thank You!*
